The Melissa Roberts Foundation acts as a fundraising entity for charities who support and promote recovery for people who suffer the disabling impact of distressing voices and associated disorders. The proceeds of this event will go to Hearing Voices Network NSW, a Health Promotion Charity.

You will enjoy canapés and drinks on arrival, followed by a three course a-la-carte dinner, premium wine and range of beers. There will be a special guest MC, music, a live auction and more...

We sincerely thank our sponsors and donors who have helped make this event a reality.
